

Please keep the necessary hygiene measures:

Keep distance from other people:
at least 1.5 metres

Observe the cough and sneeze label:

When coughing or sneezing, turn away from other people

Sneeze or cough into a **disposable handkerchief**.

Use this only once and then get rid of it in a trash can with a lid.

If a handkerchief is used, this should be **washed then at minimum 60°C**.

Always remember: after blowing your nose, sneezing or coughing **wash your hands thoroughly!**

If you don't have a handkerchief handy, hold the crook of your arm in front of your mouth and nose when coughing or sneezing and turn away from other people.

Disinfect hands:

When entering and leaving the restaurant.

Avoid shaking hands:

Give a friendly smile instead.
